

好消息！今年开始加拿大留学生打工将无需申请工签！

2014 年 1 月开始，全职学生在校外打工将不需要申请校外工签，持有有效的学签即可打工，而且无需等待 6 个月学习满足资格，注册入学即可满足要求。

这项政策在我看来是 CIC 和 CBSA 为了治理留学生打黑工现象而出台的安抚政策。

对于真正读书的留学生，有两点利好：一是节省了申请工签的费用，二是免去了 6 个月的等待时间，对于经济不算宽裕的同学，可以立即打工来贴补生活费。

但是有 1 点必须说明，既然明年学签可以充当工作许可了，那境内学签的申请和续签标准和审批也会提高标准，资金证明和成绩单可能会成为强制要求，尤其是之前的成绩单证明。

The proposed amendments would also automatically authorize full-time international students attending designated institutions to work off-campus for the duration of their study permit for up to 20 hours per week provided they hold a valid study permit and are enrolled in a post-secondary academic, vocational or professional training program of at least six months at a designated institution. (强调认证机构的全职学生凭借有效学签就可以校外工作，无需再申请校外工签)

This proposed amendment replaces the existing program design which requires study permit holders to wait six months after beginning their program of study before applying separately for an off-campus work permit. (无需再等上满 6 个月才能获得工作许可，可以立即获得许可)

This would represent time and cost savings to students who no longer need to apply and pay for a separate work permit, and for CIC as it would no longer process off-campus work

permit applications.

Citizenship and Immigration Canada anticipates beginning implementation of these changes in January 2014. Changes would be made to the electronic immigration processing system (the Global Case Management System, GCMS) and additional information would be added to CIC's and CBSA's Web sites which would allow CIC and CBSA officers to limit study permit issuance to those students destined to a list of designated learning institutions. CIC and the CBSA would also amend application forms, update field manuals, and train officers on their roles in implementing the proposed Regulations.

今年 1 月正式生效, 届时 CIC 和 CBSA 会公布具体细则和更新相关表格。
